

Notice of Upcoming Work at Twickenham Station

We are writing to update you on our works in February on the station platforms

30th January 2018

Upcoming Works Update

Following our previous communication regarding the platform works at Twickenham Station, we are writing to update you that we will be carrying out the following works:

- Material and Plant movement from Platform 3 to the Island Platform.
- Works to the carpark in front of the Temporary Ticket Office, which include tarmac surfacing and line marking.

In order to complete these works, it is necessary for us to carry out activities at night using engineering hours / station closure. During this time, we will be able to use a line block to safely access between platform 3 and 4/5, without disrupting train and station services.

Preparation work will commence at 10pm (on the days noted below). Once the last train has departed the station, the line block will commence around 1am (on the mornings noted below) and enable us to work until 5am, before clearing the site and completing the works by 6am.

The work will commence on:

- 7th February 2018 (working Wednesday night into Thursday morning)
- 8th February 2018 (working Thursday night into Friday morning)
- 10th February 2018 (working Saturday night into Sunday morning)
- 12th February 2018 (working Monday night into Tuesday morning)
- 13th February 2018 (working Tuesday night into Wednesday morning)
- 14th February 2018 (working Wednesday night into Thursday morning)

This work will cause some noise disturbance. Site guard fencing with a layer of echo barriers will be used to reduce disruption, and noise monitoring will be undertaken to manage the works.

Thank you in advance for your patience, and apologies for any inconvenience caused.

How to get in touch

Our site team operates an open-door policy. Alternatively, you can contact the project's Community Liaison Officer Rowan Cole on community@twickenhamforward.com.

In case of emergency, you can contact our 24/7 manned hotline on 07971 125 180.

Copies of this and future updates can be found on the project website. You can also sign up to receive dedicated email updates about the progress made to date, and what's happening next, at: www.twickenhamforward.com

The site has been registered with the Considerate Constructors Scheme (CCS), which means that how we interact with our neighbours and operate our site will be regularly assessed independently.

More information on the CCS can be found on their website:
